

Roto-Loc™ 44000xx Series Overhead Self Retracting Lanyard

STRENGTH AND DURABILITY
FOR OVERHEAD MOUNTS

HIGHER STANDARDS IN PERSONAL FALL PROTECTION

Roto-Loc™ Overhead Self Retracting Lanyard

The Roto-Loc™ Overhead Self Retracting Lanyard is specifically designed for use in overhead mounting applications that require the durability of wire rope but in a smaller package and lower price, than the typical cable unit. The Roto-Loc™ Overhead is ideal for use in long term applications such as order pickers and forklifts or in general industry overhead maintenance. It features an all alloy steel frame and cam activated Failsafe™ locking mechanism, giving you confidence in short extensions without nuisance lock-ups.

Roto-Loc™ Overhead Features:

- Internal rotary braking mechanism.
 - ✓ Fast acting, smooth braking that keep forces low without excessive extension.
- High strength alloy steel frame and locking mechanism.
 - ✓ Surpasses OSHA and ANSI requirements for strength.
- Fast acting, cam driven Failsafe™ locking mechanism.
 - ✓ Ensures fast, consistent locking, arresting the fall within inches without the nuisance lock-ups of centrifugal locking mechanisms.
- Rugged ABS housing with a Santoprene overmold.
 - ✓ Designed to endure the rigors of daily use in tough environments.
 - ✓ Recessed labels, to last the life of the product.

Roto-Loc™ Overhead Specifications:

Lifeline: 3/16" 7x19 Galvanized Wire Rope
Frame: High Strength Alloy Steel
Swivel: High Strength Alloy Steel
Main Spring: Grade 301 Stainless Steel
Housing: ABS Thermoplastic with Santoprene™ Overmold
Housing Dimensions: 5.2"x3.3"x6.1"

Performance Specifications:

Meets ANSI Z359.14 Class A
Arrest Distance: 24" or less
Average Arrest Force: 1,350 lbs. or less
Max Arrest Force: 1,800 lbs. or less

Maximum Working Capacity:

400 lbs. (Including tools and equipment)

Roto-Loc™ Overhead Part Numbers

| Part # | Working Length | Weight | Configuration | Hook Type |
|-----------|----------------|-------------------|----------------|-------------------------------|
| 4400009-1 | 9' 2.7m | 5.2 lb. 2.3 kg | Overhead Mount | 3007 Pelican Swivel Snap Hook |
| 4400012-1 | 12' 3.6m | 5.4 lb. 2.4 kg | Overhead Mount | 3007 Pelican Swivel Snap Hook |
